## About Ahmedabad Arthroscopy Academy :

AAA is a selected group of like minded private practising 7 experienced & dedicated arthroscopy surgeons of Ahmedabad whose primary goal is to create one of its kind educational platform for budding surgeons in the field of Arthroscopy & reconstructive joint surgeries.

## Strength of the AAA fellowship program:

- ❖ This fellowship emphasizes a well-integrated approach to the diagnosis & management of knee, shoulder, wrist, elbow, foot, and ankle, with special emphasis on arthroscopic and reconstructive surgery.
- ❖ Each surgeon is fellowship trained in sports medicine & arthroscopy surgeries. Our diverse national and international faculties ensures exposure to differing treatment philosophies, surgical algorithms, and techniques throughout the fellowship.
- ❖ Our rotations follow a '2 months ' mentorship model that emphasizes increased surgical volume & exposure to variety of cases . In addition to a variety of simple cases, our experts commonly tackle advanced & complex procedures.
- ❖ The fellow actively participates in surgeries, OPD clinics & research activities for 2 months duration different hospitals & institutes along with 7 experienced surgeons.
- ❖ Our surgeons hold leadership positions in national and international organizations. We pride ourselves in grooming the next generation of surgeon leaders. We lead by example and hope to provide strong mentorship and support to help you reach your individual career and life goals.
- ❖ The fellow will be provided with the certificate at the end of the fellowship programme

## Faculty:

- ❖ **Dr Darshan Shah**
- ❖ **Dr Deepak Goyal**
- ❖ **Dr Preetesh Shah**
- ❖ **Dr Chirag Chudasama**
- ❖ **Dr Daivesh Shah**
