**AHMEDABAD  
ARTHROSCOPY  
ACADEMY**

## **About Ahmedabad Arthroscopy Academy :**

AAA is a selected group of like minded private practising 7 experienced & dedicated arthroscopy surgeons of Ahmedabad whose primary goal is to create one of its kind educational platform for budding surgeons in the field of Arthroscopy & reconstructive joint surgery.

## **About AAA fellowship program:**

- \* AAA offers ' 2 months ' mentorship model that emphasizes increased surgical volume & exposure to variety of cases.
- \* This fellowship emphasizes a well-integrated approach to the diagnosis & management of knee, shoulder, wrist, elbow, foot, and ankle, with special emphasis on arthroscopic and reconstructive surgery.
- \* The fellow actively participates in surgeries, OPD clinics & research activities for 2 months duration different hospitals & institutes along with 7 experienced surgeons.
- \* Our surgeons hold leadership positions in national and international organizations. We pride ourselves in grooming the next generation of surgeon leaders. We lead by example and hope to provide strong mentorship and support to help you reach your individual career and life goals.
- \* The fellow will be provided with the certificate at the end of the fellowship programme.

## **Fellowship Criteria:**

- \* Candidate should have medical council recognized MS/DNB/Diploma Ortho degree.
- \* Interested candidate should send CV to [aaa.fellowship@gmail.com](mailto:aaa.fellowship@gmail.com)
- \* Shortlisted members will be interviewed by an online meeting.

## **Fellowship Fees:**

- \* For two months duration total fees for one fellow is INR 1,00,000/-
